FROM THE PRESIDENT

Jennifer LoPatin

Although I'm writing this in the waning days of summer, I'm happy to report that our summer has been anything but quiet and our fall is looking quite full, too!

In July, we held our annual Games Day, with the largest attendance ever! It was held again at Beth AHM and was chaired by Enid Schatz and Rosalie Dean, with vice president Susie Jacob. This fundraiser will benefit youth programs this year.

Due to the generosity of Hillel Day School, our Backpack Project was moved there this year. Hundreds of volunteers of all ages came on a Sunday and Monday and prepped and packed 1200 backpacks with school supplies for homeless students of Oakland County Intermediate School District (K-12). An additional 300 backpacks were prepared for Jewish children in need, as identified and distributed by Jewish Family Service.

Representatives from Oakland Schools explained that there are children in all 28 school districts who are not living in their own homes due to difficult circumstances. They expressed great appreciation for our efforts. This could not have been possible without the chairs: Deede Auster, Jan Goldfarb, and Amy Zeskind, as well as their vice president Susan Rollinger.

Our 6th annual Back 2 School Store was held on Sunday, August 18th, the culmination of a year-long effort by a lot of very hard working women. Our chairs this year were Lauren Koenigsberg, Sallyjo Levine, and Carol Rosenfeld and their VP, Susie Jacob. This year, over 600 Detroit children, pre-selected by 18 social service agencies, had the opportunity to "shop" with a personal shopper for brand new clothing and school supplies to give the children (K-5) a great start to the new school year. Close to 400 volunteers participated. This year, we were excited to have the Michigan Society of Eye Physicians and Surgeons screening some of the students. 125 children were examined and 47 were given vouchers for eyeglasses, generously donated by National Vision and America's Best. The JCRC/AJC Health Fair was once again available to the parents and guardians as well as Lakeshore Legal Aid.

Jay Towers of Fox 2 was our honorary chair and the day was a smashing success as evidenced by the smiles and giggles of the children who were there.

While the Back 2 School Store was happening, the Hazon food festival took place at the Eastern Market. Many thanks to Susie Serwer for volunteering to "woman" the NCJW | MI table!

Our annual benefit luncheon, Women of Vision, will take place on October 24th at Adat Shalom Synagogue. Our speaker will be Dahlia Lithwick and we are honoring Jackie Victor with the Woman of Vision award and Lisa Lis with the Josephine S. Weiner Award. Please join us for what promises to be an inspiring day as we honor 2 outstanding community members and hear from a writer who covers the Supreme Court. Also, of course, plan to do your Hanukkah shopping at our fabulous boutiques. As I always say, "Shopping is a mitzvah!"

Our own Rusty Rosman led a tour through Corktown on September 19th with chair, Sandy Weiss's guidance. It was both interesting as well as delicious!

Our Fall Focus this year will be on Labor Trafficking on November 12 at the Birmingham Temple. Please watch for more information.

One fall event that will be sadly put on hiatus this year is our Shoes to Share program. For several years we have collected gently worn shoes from schools and houses of worship. Last year we sorted over 4,000 pairs and sent on 3,000 to different community agencies. Unfortunately, this year we do not have a facility where we can do this project which takes several weeks. We will reassess next year and see if we can continue to do this valuable project. Chairs Gail Katz and Jeannie Weiner and their VP, Randie Levin tried very hard to find an alternative space that would meet our needs and, regretfully, could not.

Kosher Meals on Wheels has a new home as of June! We are now housed at the JCC. We have wonderful volunteers who pack and deliver the meals and our coordinator, Frank Lanzkron-Tamarazo is doing a great job making sure that our homebound seniors get their meals. Susan Gertner, our

EXECUTIVE DIRECTOR

executive director, devoted countless hours to the transition of coordinators and in moving to a new location. Evva Hepner is now coordinating volunteers and finding subs when needed.

On September 23 and 24, we will hold our biannual Billie Barak Board retreat. This time we're excited to head to Butzel Retreat Center for an overnight filled with all things NCJW!

Our winter series of Nosh and Knowledge is being planned by VP Sharon Leider and her committee. Please watch for eblasts and flyers. If we don't have your email address, this would be a great reason to send it to us. We don't want you to miss anything!

A major priority this year will be to expand our presence statewide. If you have friends or relatives outside of the tri-county area who would be interested in joining our ranks, please let them and us know. We have formed a new committee whose goal is to truly be NCJW | MI. If you would like to join us, please contact me and I will put you on the list.

Once again, I have given you a lot to digest! This bulletin will also cover Thanksgiving and Hanukkah!

I sincerely wish you and yours very happy and healthy times together and I hope to see you at our programs. If you have questions or suggestions, please don't hesitate to contact me, either at pres@ncjw.org or 248-355-3300 X1.

Susan Gertner

I am continuously in awe of our Section. The number of volunteers involved is amazing. Our Back 2 School Store for 2019 just came to a close with the help of close to 400 volunteers. Volunteers planned, organized, were personal shoppers, shoe fitters, and ran every aspect of the store. It was an impressive accomplishment. The dedication of our volunteers with each of our community service projects, programs, and advocacy efforts is astonishing, and I am so proud of everyone.

Young children through grandparents came out on a Sunday and Monday to help pack 1500 backpacks with school supplies for Oakland County homeless children and children in need in the Jewish community. It was a pleasure watching volunteers of all ages come together to help children in our community. Volunteers are always needed, whether it is on a committee, or for a community service project. There is always a place for everyone.

As we moved our Meals on Wheels program to West Bloomfield and were in need of many volunteers, people heard our call and came through and helped. Volunteers of NCJW | MI make a difference. We invite you to become involved, and encourage your friends and family to become involved and volunteer as well.

One of my responsibilities is to make sure we meet our budget. Our income is based on membership dues, tributes, grants, sponsorships, fundraisers, and the proceeds from our council resale store. I'm asking you for your help. If you know of someone who has items to donate, let them know about our store. Tell people about the great treasures you can find in our store for great prices. If you know of a business that would be interested in advertising, let them know about our Women of Vision Ad Journal or sponsorship opportunities. If you know of any foundations that offer grants, just give me a call. If you are in need of a birthday, special occasion, or sympathy card, think about donating and sending one of our tribute cards. An NCJW | MI membership could make a great gift to a friend or family member. However you can help out would be greatly appreciated.

As "they" say, it takes a village. Together we can make a difference in this world, and together we will be proud of our work. Thank you in advance for helping us make a difference.

BECOME A SPONSOR!

Since we do not have emails for half of our membership, the Bulletin is the main source of communication about NCJW events, which is distributed to over 1,600 households. The Bulletin provides important and timely information and is an essential tool for our organization.

We invite you to become a sponsor for our Bulletin. An individual or business could be a Sponsor who would donate to the printing and postage of one of our four Bulletins sent out each year. Their name would be displayed prominently on the Bulletin.

To learn more about being a Bulletin Sponsor, please contact Susan Gertner, Executive Director, at 248.355.3300, ext. 3.

STATE POLICY ADVOCATES

Cathy Cantor

Irma Glaser

Gun Violence Prevention has been a key issue for NCJW for quite a while. Our Michigan members and supporters have attended programs and lobby appointments to address our concerns. We did a postcard campaign against open carry of guns in our public schools. We marched with the many students who wanted legislative action to bring greater safety to their schools after the Parkland disaster. We lobbied in Washington and Lansing to encourage our federal and state legislators to enact meaningful gun safety laws. In May, at our first Michigan Institute held in Lansing, we put our support behind HB 4283 and SB 0157 to get Extreme Risk Protection Order (ERPO) legislation passed. ERPO also known as Gun Violence Restraining Orders and “red flag” are civil court orders signed by judges that temporarily remove firearms from individuals who pose a threat to themselves or to others by owning, possessing, or purchasing a firearm. We visited 18 lawmakers to make our case for the need for this legislation and nothing happened. In August, many Americans were horrified by the slaughter of innocent people in El Paso and Dayton, and an outcry arose for background checks for gun purchasers and for

“red flag” laws. Currently, 17 states have these laws. Our legislators were on vacation during the August catastrophe, and were not asked to come to Washington to do their job on this critical problem; however, Senate leader Mitch McConnell said he would allow discussion in the fall about the checks at the request of President Trump.

The delay between the time of the massacres and Congress resuming its duties could mean that the will to enact meaningful legislation about guns might fade away by “forgetfulness” or other concerns being pushed ahead. Based on past experience, we don’t believe that the legislators will stand up to the powerful gun lobby. Gun violence prevention must be paramount in our efforts to deal with a crisis of shootings across the U.S. We need ERPOs, effective background checks, and reestablishment of a ban on assault weapons. The only real solution is to vote for women and men who will follow the views of the majority of the American public, not only about guns, but so many other issues that impact negatively on the lives of women, families, and children. We must have responsible legislators acting on behalf of all of us; therefore, NCJW|MI will devote considerable effort in the next year and a half to voter registration and voter education.

In the meantime, you are invited to a “What’s on Your Mind?” session at our office on Wednesday, October 16, at 10:30 am. You may share your ideas, concerns, and opinions on issues, and offer suggestions to help in our voter drive. Call NCJW|MI office to let us know you are coming. We welcome your input.

Project Friendship

Project Friendship with Kadima has been one of NCJW|MI's Community Service projects for the past 21 years. We provide Sunday Brunches, activities, and field trips to members of Kadima that face various mental health challenges.

It takes a few hours of time on a Sunday to change someone's uneventful and lonely day to one filled with activity, good food, and social interaction with friendly volunteers. It only takes once or twice a year to be part of this Sunday Mitzvah.

We welcome all volunteers to join us in this very rewarding Community Service Project. Kadima members are always glad to see us and tell us about the projects they have been working on during the week and are glad to engage in friendly conversation.

Upcoming Sunday Events are:

October 13 – Sukkot Celebration

October 27 - Upland Hills Farm

If you are interested in becoming a volunteer please contact the NCJW|MI office to get more information.

New and exciting changes are on the horizon at Kadima and our collaboration with them.

STAY TUNED FOR UPCOMING NEWS FROM KADIMA!

Shoes to Share™

Because of the unavailability of Suite 100 in the lower level of the NCJW building, we really do not have adequate space for the shoe collection and sorting. We have

investigated several other locations, but either the locations are not ideal or the space is too small, and it would be impossible to store cartons and supplies there year round. We would need the location for about two months in October and November, it needs to be close enough to Detroit for agencies to pick up the shoes, and the location needs to have an elevator if there are stairs.

We recently had a meeting with Jennifer LoPatin, NCJW President, Susan Gertner, NCJW|MI Executive Director and Randie Levin, NCJW|MI Vice President, and it was decided that we will put our Shoes to Share project on hold for right now. Hopefully, in the future, we will have a location that can meet our needs. We thank you all for your previous help and dedication.

 in cooperation with Jewish Family Service

We are very pleased to report that our new location and new caterer are working very well.

We began at the JCC on June 17 with Epic Catering. Although Epic has gone out of business, the Kosher component is still running smoothly and we anticipate no changes in our program.

A big thank you to volunteers who pack meals, shuttle to the volunteer pick up point, deliver to our clients, and sub when needed. We are grateful to Evva Hepner who is now coordinating the volunteers and, of course, none of the smooth transition would have happened

without the hard work and dedication of our Executive Director Susan Gertner.

We are also happy to announce that for 2019-2020, MOW received a grant from the Jewish Federation of Metropolitan Detroit. Area Agency on Aging 1B through the Office of Services for the Aging and funding through the Federal Older Americans Act in compliance with Title V of the Civil Rights Act of 1964 has also increased our reimbursement rate. The MOW Program is a true partnership and we want to thank the Federation and Area Agency on Aging for being responsive to our needs. Additional funding is provided by the DeRoy Testamentary Foundation and individual donations. Jewish Family Services provides the intake and casework services.

Our new coordinator is Frank Lanzkron-Tamarazo. Frank began just before the MOW move and has quickly learned everything involved in MOW. We are pleased to welcome Frank.

Cantor Frank, as he is also known, has served congregations in New York, New Jersey, Illinois, and Michigan. In Michigan, Cantor Frank served as Hazzan at Congregation Beth Shalom, Adat Shalom Synagogue, and founded a synagogue in his home, Hava Nashira. Ten years ago, Cantor Frank created Chazzano Coffee Roasters, a Kosher certified cafe/roasterie in Ferndale which provides coffee to over 200 wholesale accounts. Cantor Frank lives in Mt. Clemens with his wife, Lisa, and their three children, Max, Doris, and Nicoletta. Cantor Frank is honored to coordinate meal delivery to homebound adults and to assist the volunteers who, with great kindness, dedicate their time for this great mitzvah. If you are interested in volunteering for MOW, please call 248-967-0967.

It was another very successful year at Bookstock 2019. NCJW collected \$18,883.55. Our volunteers worked 1,022.50 hours and it was a labor of love.

Backpacks, B2SS, and reading and tutoring at Coleman Young School, are among the many projects that are benefiting from our efforts.

Great job!

Chairs: Deede Auster, Barbara Grant, Charlene Green, Fran Stern, Bonnie Tucker.

NCJW|MI BACKPACK PROJECT

Backpacks

The 2019 Backpack Project, July 21 and July 22, was a huge success. With the change in venue to Hillel Day School, we were able to accommodate more than 150 volunteers and fill 1500 backpacks. This year, 1200 filled backpacks went to Oakland Schools' homeless children, and 300 went to Jewish Family Service for children in need.

Special thanks goes to Scott Reed and his crew at Hillel, for their help in completing this worthwhile project.

Chairs: Deede Auster, Jan Goldfarb, Amy Zeskind

Letter from Oakland Schools

".... thank you again for all the amazing work your fabulous team did to make possible the Backpack extravaganza! What an awesome example of a finely tuned machine! I want to tell you how very much your team, NCJW, and the backpacks mean to us and to the thousands of homeless students and their families who depend on them."

Sue Benson, Director, Student Services Special Populations

The Back 2 School Store is an annual one-day event to help Detroit students in need have the right tools for a successful school year. The pop-up store is designed to look like a department store, where each child "shops" with a personal shopper for new clothing: shirt, pants, socks, underwear, winter coat, hat, gloves, and shoes. The child also selects new backpack filled with school supplies, a new book, and personal care items.

BACK 2 SCHOOL Store

a project of NCJW | MI

What an amazing day! What an amazing year preparing! The National Council of Jewish Women, Michigan's (NCJW|MI) Back 2 School Store (B2SS) was held on Sunday, August 18th. During the past year we partnered with 18 social service agencies to welcome over 600 Detroit children and their families.

Lauren Koenigsberg, Sallyjo Levine, Carol Rosenfeld, their Steering Committee, and close to 400 volunteers worked magic as the children, entering Kindergarten through 5th grade, shopped for new clothing, including a winter coat, gloves, hat, two shirts, pants, a pair of shoes, socks, and underwear. They also went home with a backpack filled with school supplies, personal care items, and a book, not to mention huge smiles on their faces!

This year, we were able to include vision screening for many of our shoppers. Close to 20 doctors and

technicians from the Michigan Society of Eye Surgeons and Physicians (MiSEPS) screened 125 children and found that 47 of them needed eye glasses. 70 vouchers from National Vision (America's Best) were given to children to allow them to receive follow-up eye exams and glasses.

While the children were shopping with their own Personal Shopper, their families were escorted into the Family Resource Center, where they were offered health screenings through JCRC/AJC and an opportunity to consult with lawyers from Lakeshore Legal Aid, including an Immigration lawyer. There was also a visit by a firefighter, as well as helpful information available from many local social service agencies to guide the families to find help within their community. For children who were not entering Kindergarten through 5th grade, there was a magician, an art center, a play area, and books, as well as handmade hats and scarves to take home.

A HUGE thank you goes to the entire B2SS Steering Committee and Chairs who worked diligently for a full year on this enormous undertaking:
